WHAT TO EXPECT

From Your Session

Be prepared to feel beautiful, feel sexy and look amazing. There is absolutely nothing to be nervous about so relax and enjoy your session. Feel free to bring a friend and make it a girls day or night. Whether you are bold and outgoing or shy and bashful, we will customize a session just for you. You will have a great time and will love your images!

Don't forget the most important thing... Relax. Remember that I have years of experience posing and working with lighting and camera angles to emphasize your best features and minimize anything less than perfect

The beauty of a woman
is not in the clothes she
wears, the figure that she
carries, or the way she combs
her hair. The beauty of a
woman is seen in her eyes
because that is the doorway
to her heart, the place where
love resides. True beauty in a
woman is reflected in her
soul. It's the caring that she
lovingly gives, the passion
that she shows & the beauty
of a woman only grows with
passing years.

WHAT TO BRING TO YOUR SESSION

One of the most asked questions that I get is concerning what to wear and bring to your session. Here are just a few ideas to help you choose.

- Slips
- Button down white man's shirt
- Something related to his hobbies and interest
- Corset/Bustier
- Robes
- Silk shorts/boy shorts
- Heels
- Jewelry
- Matching bra + panty set
- Neglige/teddy/body suit
- Sports jersey

There is nothing more rare, nor more beautiful, than a woman being unapologetically herself: comfortable in her perfect imperfection. To me, that is the true essence of beauty.

LITTLE BLACK...

Books And Boxes

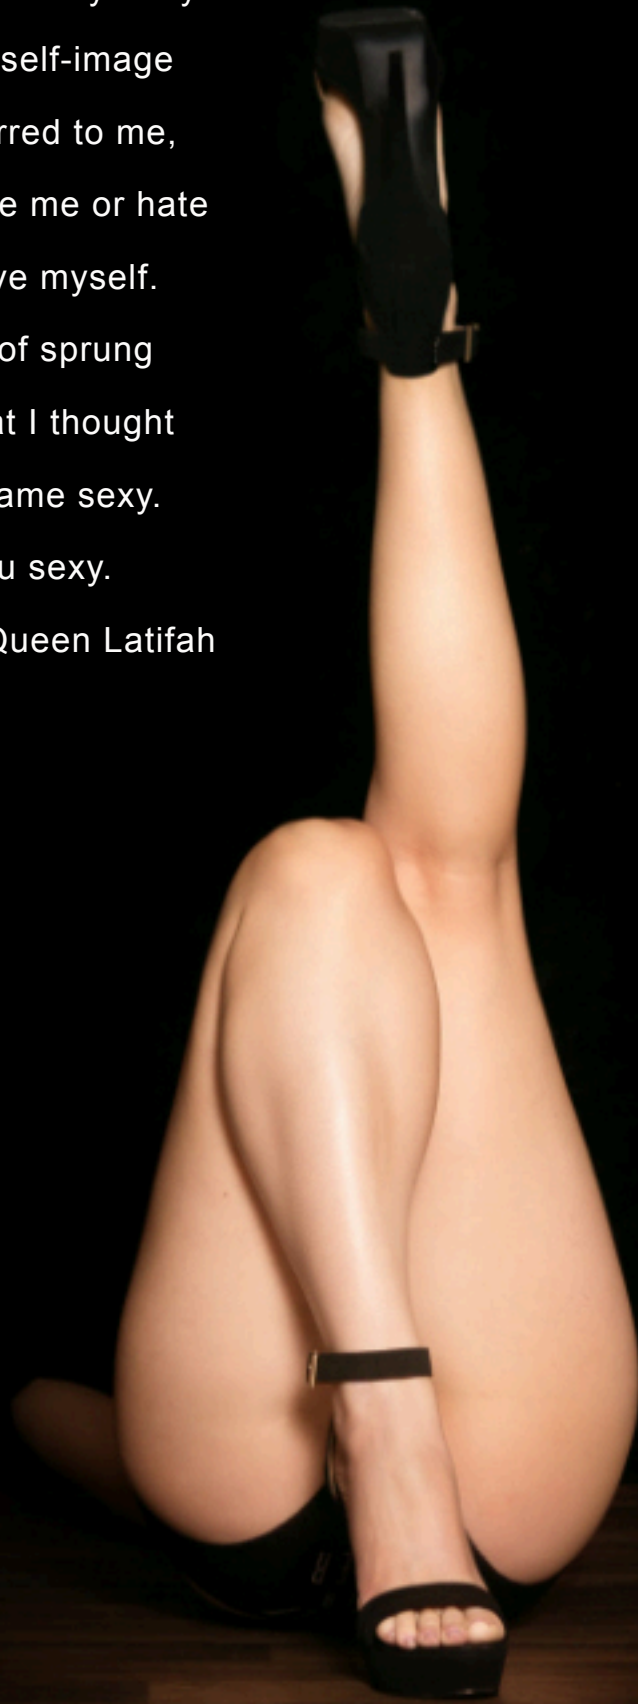

White Design “Little Black Books” are designed entirely by me and based on your style. Images are not sent out of the studio to be designed for you by someone who wasn’t at your shoot. I generally recommend people come into the studio to see our “Little Black Books” in person as they really do have to be seen for you to fully appreciate their high level of quality.

We also offer beautiful walnut wood image boxes that hold a beautiful 4x5 print of each of your session proof images.

One great advantage of the book or image boxes is that you can have a photo of every image from your session. You don’t have to decide what images you get and what images you leave at the studio!

I had to grow to love my body.
I did not have a good self-image
at first, Finally it occurred to me,
I'm either going to love me or hate
me. And I chose to love myself.
Then everything kind of sprung
from there. Things that I thought
weren't attractive became sexy.
Confidence makes you sexy.

-Queen Latifah
